**Re: Prescription Drug Benefit – Custom Network (inside Alaska), Avia Partners
Pharmacies (outside Alaska), and Excluded Pharmacies**

Important Information: Please be sure that you and your family read this notice carefully and keep it with your benefit booklet or insurance records for future reference.

This insert to your January 2010 Summary Plan Description and Plan Document describes clarification to your prescription drug benefit program. On the reverse side of this letter please find a listing of pharmacies in the custom network in Alaska and the Avia Partners Pharmacies outside of Alaska.

Excluded Pharmacies: Benefits will not be provided, nor will the plan reimburse you for the cost of a prescription filled at Kmart, Wal-Mart, or Walgreens, regardless of whether the prescription was filled in *or* out of the State of Alaska.

Avia Partners Pharmacies In Alaska but outside the Custom Network: If you fill your prescription in Alaska at an Avia Partners Pharmacy but outside the Custom Network (except Kmart, Wal-Mart or Walgreens), you must pay the full cost at the time of purchase, then file a claim with Avia Partners, and wait for reimbursement. Your reimbursement will be based on the Avia Partners discounted price, minus the appropriate copayment. Consult the table on page 39 of the Summary Plan Description to determine your copays.

Avia Partners Pharmacies outside of Alaska: If you fill your prescription at an Avia Partners pharmacy outside Alaska (except Kmart, Walmart or Walgreens), simply take your prescription and your Avia Partners drug card to the pharmacy and make the appropriate copayment. The pharmacy will bill the Trust directly, so you won't have to fill out a claim form. Consult the table on page 39 of the Summary Plan Description to determine your copays.

Any questions concerning your pharmacy benefit program may be directed to Avia Partners at (800) 273-9166.
